Ellipse Monobloc Awning

Indoor-outdoor flow has become a necessity in contemporary design. The Ellipse Monobloc Awning helps New Zealanders enjoy and enhance courtyards, sheltered retreats and outdoor rooms year-round.

With its classic styling, the Ellipse Monobloc encapsulates simplicity and charm. It also provides a generous area of coverage – a width of up to five metres makes it ideal for lengths of deck and other outdoor areas with plenty of space to cover.

The Ellipse Monobloc is made with quality components and a solid structure to ensure long-lasting functional sun protection.

Standard Bracket

Adjustable Pitch Bracket

Create a versatile, beautiful outdoor space that connects seamlessly to your home and garden, while providing shelter from the elements.

Fabric

Colour - the key to creating the perfect environment for you. Our hardwearing fabric range has been carefully developed to make the very best outdoor living accents.

Docril Acrylic Canvas is designed and manufactured in Spain and known for its superb quality and extensive colour palette.

Docril offers an impressive selection of vibrant colours to suit any décor and comes with a 10 year UV warranty.

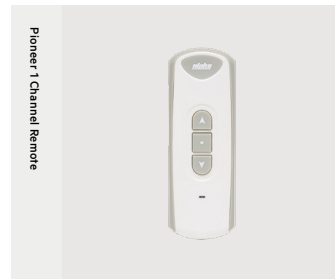

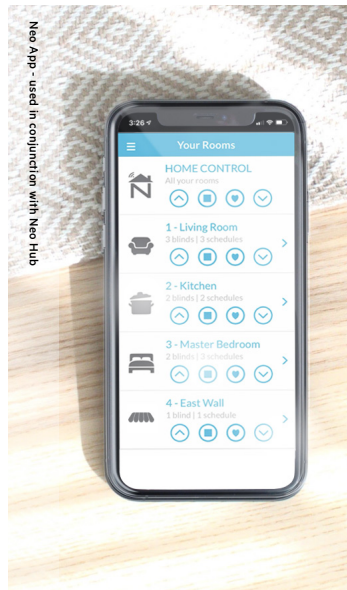

Soltis Lounge 96 is an optimised screen fabric that creates a comfortable ambience for outdoor living spaces. Designed and manufactured in France by Serge Ferrari, Soltis Lounge 96 is lightweight, durable and 100% recyclable.

Automation

Awnings can be automated to respond to the touch of a button, allowing you to relax and enjoy the ease of remote operation.
